

The Journal of Cadet Research

Academic Excellence at the US Coast Guard Academy

Call for Papers: Volume 1

We are delighted to announce that we are now accepting submissions for the Journal of Cadet Research Volume 1 to be published on June 30, 2018. We welcome submissions from cadets either as individual or group research papers. Papers can be on any subject as long as at least one of the authors is CGA cadet or graduate.

We will also welcome papers based on collaborative work between CGA and non-CGA faculty and cadet(s). Cadets who have been involved in a joint staff-cadet project or have written a joint paper (80% of work being done by a cadet) are encouraged to submit their work, clearly stating that it is collaborative work and it will be reviewed for publication. Please note the lead and corresponding author on collaborative papers must be the CGA cadet or graduate.

Work completed by CGA cadets can be accepted for publication up to 24 months after their graduation.
